

NM INDIAN AFFAIRS DEPARTMENT

SUPPORT SB41 TURQUOISE ALERT BILL

WHY IT MATTERS

It ensures family members and friends of Native Americans that go missing receive timely and effective responses from law enforcement, media, and public networks.

BY THE NUMBERS

On average, there are approximately 200 missing Native Americans across NM

Highest rates of MMIP are amongst Age Groups 30 - 39 & 40-49

THE FIRST 48 HOURS ARE CRUCIAL

The Turquoise Alert bill SB41 implements objectives 5 and 6 of the State Response Plan.

Support an alert system to improve collaboration to help find missing Native Americans across New Mexico.

READ THE BILL HERE

SOLUTION

Support Timely Action to Find Our Missing Relatives!

Similar to an Amber or Silver Alert, the Turquoise Alert improves coordination across tribal, state, and federal entities and the general public to ensure a unified response to Missing Native Americans.

SB41 reflects New Mexico's commitment to justice and safety for its Native American citizens.
